### Artisan Baker Job Advert

#### Job Description

Hot Numbers Coffee Ltd is a vibrant and independent coffee roasting business serving fresh and exciting food at our three cafés in Cambridgeshire. Our large commercial bakery, based at The Roastery Café in Shepreth, has state of the art equipment and plenty of space to work in. Our passionate team produces a wide range of artisan breads, cakes and pastries to the highest standard for our cafés in Cambridge and our wholesale customers. We specialise in slow fermentation and sourdough.

We are looking for creative and efficient individuals to join us at our bakery. We are continually expanding our production and are looking for passionate, hardworking people to help us with daily production and create produce of the highest standard.

#### Main Duties and Skills:

- Mixing dough, folding and shaping bread
- Creating artisan pizzas for lunch and evening service
- Mixing and baking cakes, tarts and pastries
- Viennoiserie (laminated pastries)
- Stock control and aiding orders
- Maintaining a high level of food safety and cleanliness

#### Person Specification:

- Skilled in multi-tasking and time management
- Adhering to SFBB standards
- Have a positive can-do attitude, ability to work under pressure

#### Work Benefits:

- Variety of shifts patterns (early and late starts)
- Option to cross-train between kitchen and bakery
- Actively encourage product development
- Innovative Kitchen and Pizza Menu
- Free lunch and hot drinks on shift
- Discounted food and retail products for staff at all three cafés
- Safe onsite cycle parking and cycle path to Cambridge
- Free car parking
- Inspiring location with sunny garden
- Friendly and vibrant team

#### Hours of work:

Availability to work early mornings and weekends is a must. Our bakery shifts start at 5.30am and 8am and staff are rotated accordingly. We also run pizza nights on Fridays and Saturdays for service with later starts. Our standard contracts are 20 - 40 hr/week, to be negotiated with the successful applicant. We operate as a business seven days a week.

Successful candidates must be able to work independently or as part of a team and should have a flexible approach to the job, with excellent time keeping standards and attention to detail being critical. We are looking for someone who takes pride in their work and the products that they produce. Previous experience in a professional food environment is desirable, however in-house training may be available to promising applicants without experience.

Hourly Rate: Negotiable dependent on experience.
