
Job Description

Kitchen Assistant Advert

Hot Numbers Coffee Ltd is a vibrant and independent coffee roasting business serving fresh and exciting food at our three cafés in Cambridgeshire. Our Chefs are passionate about the food they serve producing an exciting menu which changes regularly.

We are looking for efficient individuals to join us within our two inner city cafés, Trumpington Street and Gwydir Street. Our cafes are quickly returning to their regular business and are looking for hardworking people to help us with daily food production.

Main Duties and Skills:

- Helping prepare food for service
- Cooking produce for sandwich preparation and service meals
- Assisting with stock rotation and putting away deliveries
- Other duties such as washing up throughout the day and clearing your workstation regularly

Person Specification:

- Skilled in multi-tasking and time management
- Adhering to SFBB standards
- Ability to be trained further within the kitchen area progressing upwards
- Have a positive can-do attitude, ability to work under pressure

Work Benefits:

- Variety of shifts patterns (early and late starts)
- Option to cross-train between kitchen and other areas
- Innovative Kitchen Menu
- Free lunch and hot drinks on shift
- Discounted food and retail products for staff at all three cafés
- Central location
- Friendly and vibrant team

Hours of work:

Availability to work early mornings and weekends is a must. Our inner city café shifts run between the hours of 6.30am and 6.00pm and staff are rotated accordingly between these times to cater for busy times. Our standard contracts are 20 - 40 hr/week, to be negotiated with the successful applicant. We operate as a business seven days a week.

Successful candidates must be able to work independently or as part of a team and should have a flexible approach to the job, with excellent time keeping standards and attention to detail being critical. We are looking for someone who takes pride in their work and the products that they produce. Previous experience in a food environment is desirable, however in-house training may be available to promising applicants without experience.

Hourly Rate: £9.00 per hour.

Job Types: Full-Time, Part-Time, Permanent
